Chairperson, Youth Making a Difference  
Livonia PTSA Council

Re: Youth Making a Difference Program 2024-2025

Enclosed are the forms for the Youth Making a Difference Program. We have had great participation the past couple years and hope to continue to increase that number this year!

It is up to you as chairperson for your school what you would like to set as deadlines for your school. Just keep in mind that we will need to have a count of total number of participants by March 1 so the invitations and certificates can be printed and distributed.

The Celebration for all participants will be held on Wednesday, April 23, 2025.

Suggestions and comments are welcome and requested! If you have any questions or concerns, please contact me at [rdpline91@gmail.com](mailto:rdpline91@gmail.com)
