BUSINESS OF THE EXECUTIVE BOARD

PTA boards work as a **TEAM** to fulfill PTA's mission and meet your PTA's specific goals. An active, well-informed board makes your PTA more effective and prevents burnout.

The entire board is responsible for your success, but remember, it is not the job of the officers to "do it all." You will recruit committee chairs and volunteers to help you accomplish each of your PTA's goals.

The board shares a few, very specific responsibilities. They include the following:

Focus on and evaluate your goals. Your board should have overall goals for the year that are in line with [PTA's mission](#), including membership goals. Regularly assess progress toward those goals.

Set the tone. A positive working relationship among your PTA board members is essential for a successful year, and it creates a welcoming environment for the rest of the membership.

Know and follow your organization's bylaws, as well as applicable state and federal laws. These are the rules your PTA will follow.

Approve and oversee your budget.

Plan for rotation and transition. Your PTA board will grow stronger when you consistently recruit new members and leaders. Know when your term ends, and plan for a smooth transition by saving reports, files and notes for your successors.

COUNCIL/UNIT RELATIONSHIP

Throughout the year, Council shares information from other groups including:

- LPS/Education Foundation
- MI PTA
- National PTA
- And more!

We also pass along information for our programs, including:

- Reflections
- Founders' Day
- YMAD
- Advocacy
- Training/Workshops
- Transportation/Food Service Appreciation events

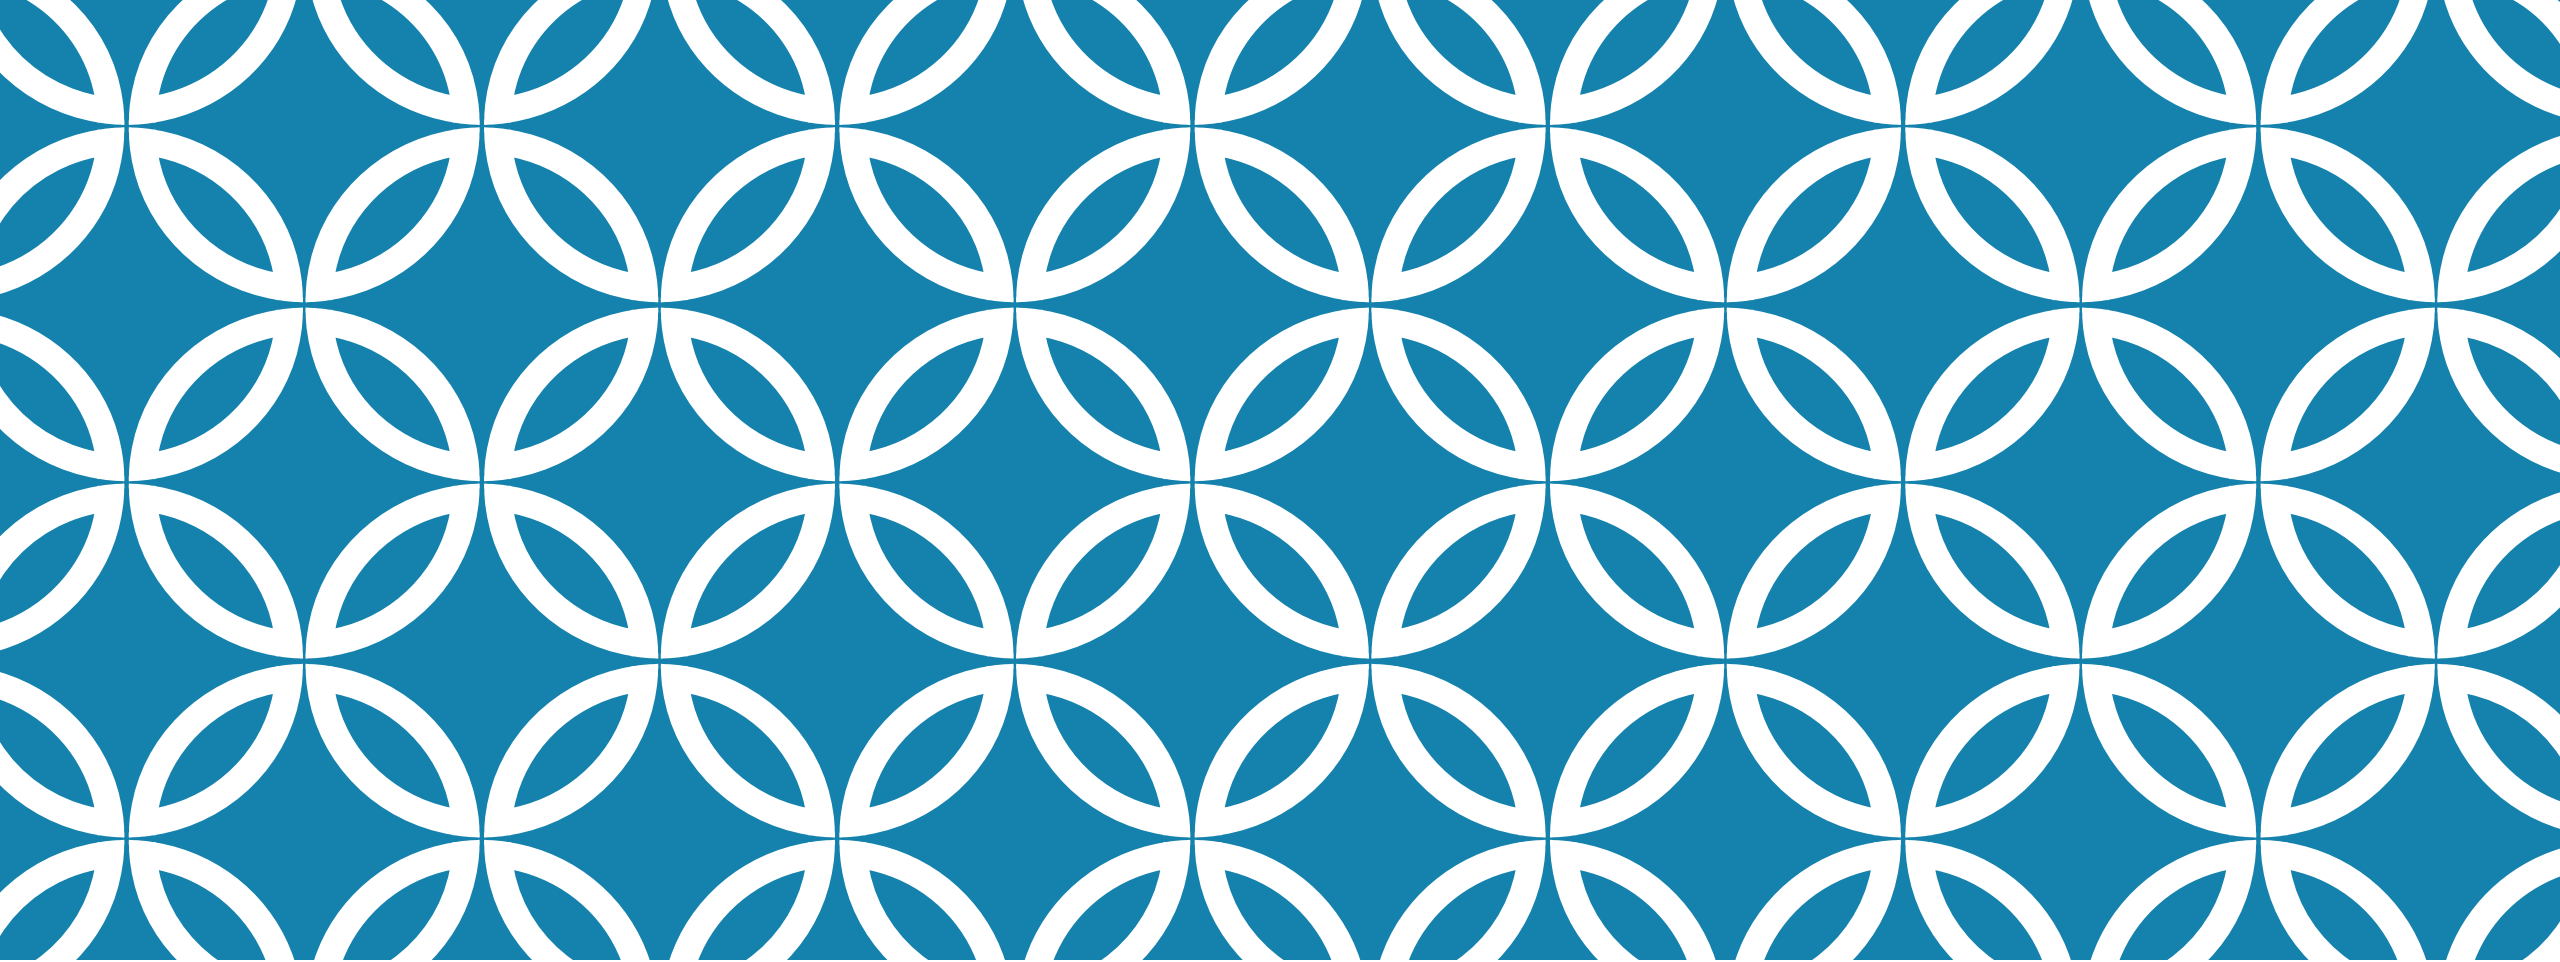

COUNCIL/UNIT RELATIONSHIP

Please pass along information to your school community AND your administration! Council members don't have the ability to post to each school's individual social media pages, and we've found that information is received better from a known source (such as your unit's officers.)

Most information can be easily shared on your unit's social media pages or through your school's weekly update.

Please communicate with your building admin. team to discuss when/how to send info for their weekly updates.

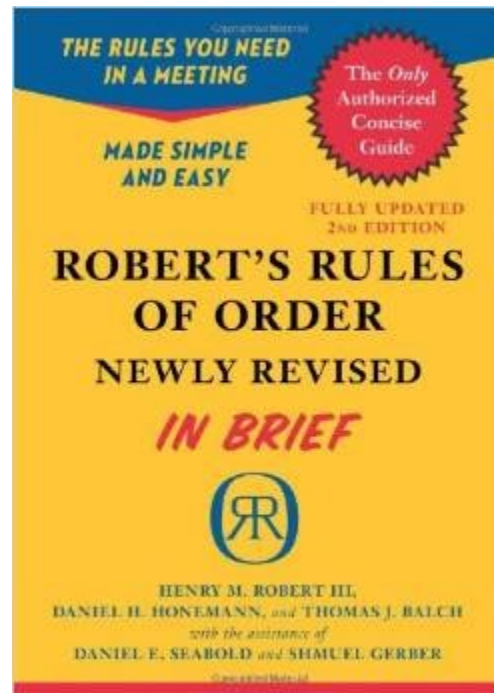

Please let us know if you have any questions or need help sharing info!

BEING THE VOICE OF THE STUDENTS/FAMILIES

With more cuts coming to education your PTA plays a huge role in sharing information with parents. You need to give them the tools to fight for what our children deserve.

Visit the National PTA website to get tools to help with this.
